Predict Business Rules for me

Business Rules Entered - 50 of 50 Manage Business Rules Associate

Activity - Business Rules Mapping + Add + Collapse

List of All Activities

+ Start: Insurer receives the third party claim submitted by attorney (4)

7 To predict an pending activities, click "Populate Pending"

The screenshot shows a software interface with two tabs: 'Input & Edit' and 'Observations'. On the left, there is a zoomable chart with 'Zoom In' and 'Zoom Out' buttons. The main panel on the right has a 'Bulk Upload' section with a 'Predict Business Rules for me' header. Below this header, the 'Populate Pending' button is highlighted with an orange circle. Other buttons include 'Refresh All', 'Manage Business Rules', and 'Associate'. Below these buttons, it says 'Business Rules Entered - 50 of 50'. Underneath is an 'Activity - Business Rules Mapping' section with a '+ Add + Collapse - Ex' control. A 'List of All Activities' section is expanded, showing a list of activities with expandable icons (+) and counts (4): 'Start: Insurer receives the third party claim submitted by attorney (4)', 'Insurer submits the Claim document to Mitchell (4)', 'Time Interval (4)', and '22:00 IST08:30 PST (4)'. A timeline on the left shows a box for '04:00 IST14:30 PST'.

8 Click 'Refresh all' to make a fresh prediction

This screenshot is identical to the previous one, but the 'Refresh All' button is now highlighted with an orange circle. The 'Populate Pending' button is no longer highlighted. The rest of the interface, including the zoomable chart, 'Bulk Upload' section, and 'List of All Activities' list, remains the same.

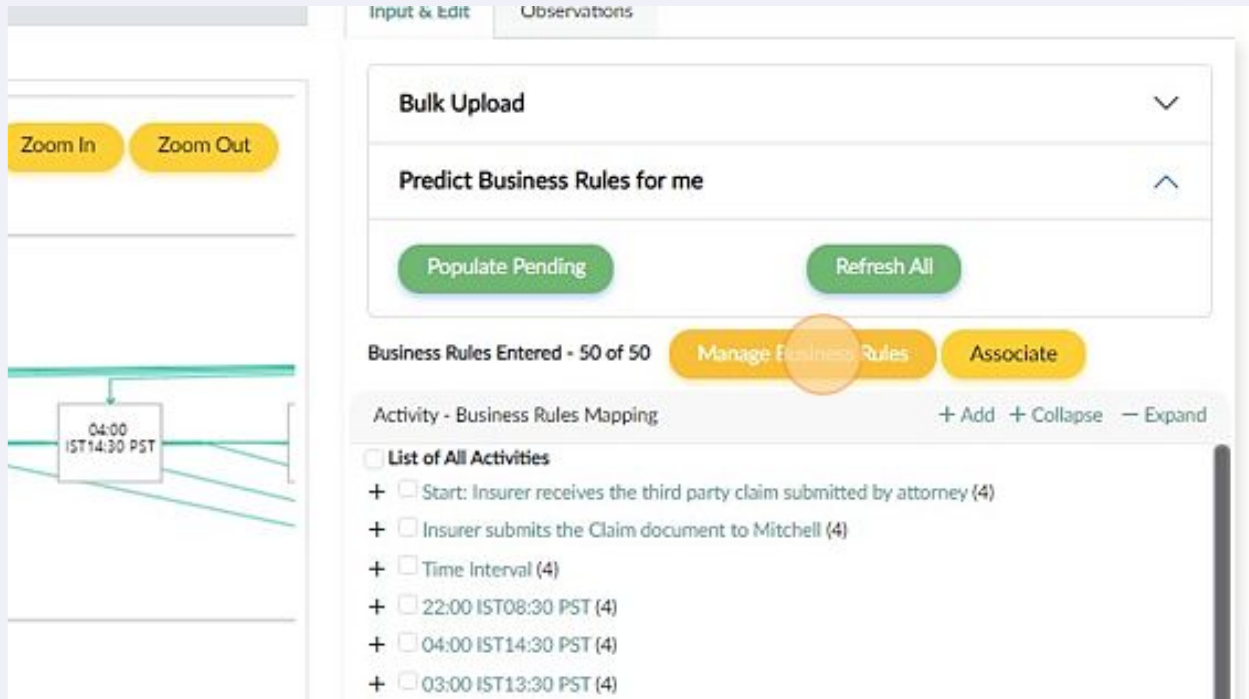

9 Click '+' against the activity to validate the prediction or the data entered

The screenshot shows a software interface for managing business rules. On the left, a timeline displays two activity boxes: '03:00 IST13:30 PST' and '04:00 IST14:30 PST'. On the right, a panel titled 'Predict Business Rules for me' contains buttons for 'Populate Pending' and 'Refresh All'. Below this, it shows 'Business Rules Entered - 50 of 50' and a 'Manage Business Rules' button. A section titled 'Activity - Business Rules Mapping' includes a '+ Add' button and a 'List of All Activities' section. This list contains several items, each with a '+' icon and a checkbox: 'Start: Insurer receives the third party claim submitted by attorney (4)', 'Insurer submits the Claim document to Mitchell (4)', 'Time Interval (4)', '22:00 IST08:30 PST (4)', '04:00 IST14:30 PST (4)', '03:00 IST13:30 PST (4)', '07:00 IST17:30 PST (4)', '08:00 IST18:30 PST (4)', and '09:00 IST19:30 PST (4)'. An orange circle highlights the '+' icon next to the first activity.

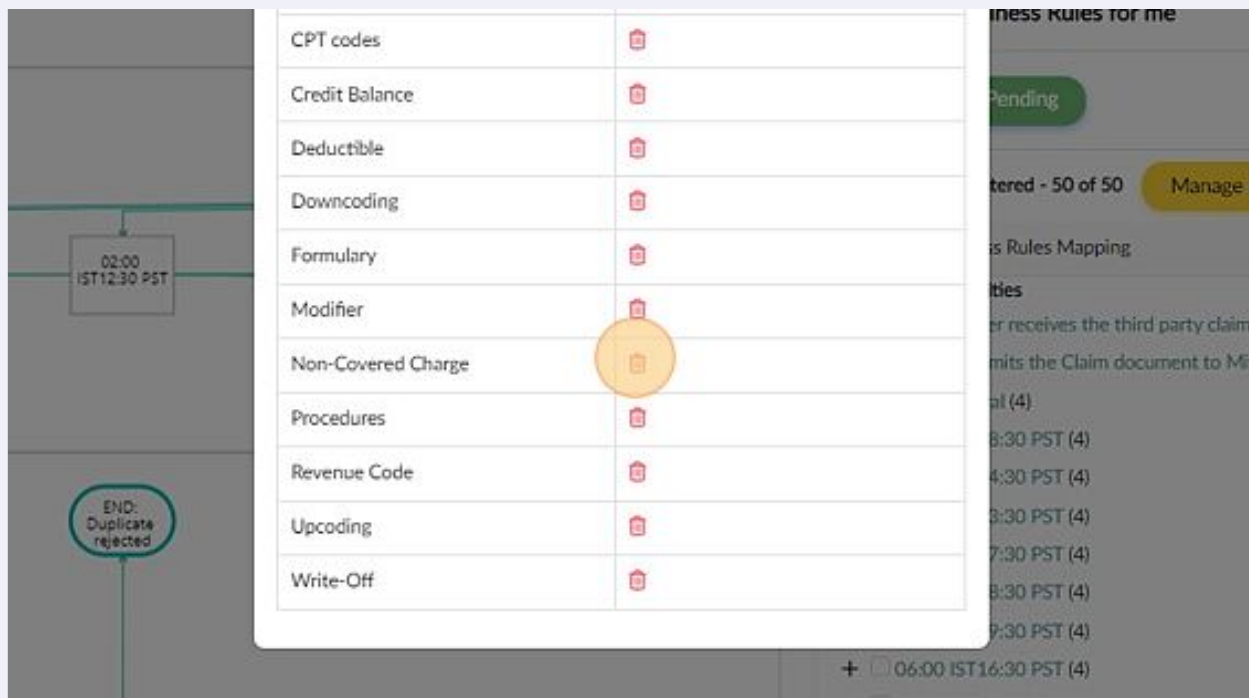

10 Click this dropdown against the business rule to change the competency of the business rule

This screenshot is a closer view of the 'Activity - Business Rules Mapping' section. It shows the 'List of All Activities' with the first activity expanded. The activity is 'Start: Insurer receives the third party claim submitted by attorney (4)'. It has four sub-activities: 'Amount', 'Beneficiary', 'Formulary', and 'Revenue Code'. Each sub-activity has a dropdown menu for its competency. The 'Amount' dropdown is currently set to 'Fact Based' and is highlighted with an orange circle. Other dropdowns are set to 'Fact Based', 'Computation', and 'Fact Based'. There are also '+ Add', '+ Collapse', and '- Expand' buttons at the top of the list.
